DEATH OF MAJ. GEORGE HALL

Among the well known Nashville people who met their death in the catastrophe on the N. C. and St. L. Railroad on Dutchman's Grade, seven and one-half miles from Nashville, was Maj. George Hall, of the Uniform Rank, Knights of Pythias, who was on the outbound train. Hundreds of people of Nashville were acquainted with Maj. Hall, who was regarded as one of the most popular men of the fraternal circles. His record in bringing the Uniform Rank from obscurity to a national importance placed him in high esteem. It was at St. Louis, Mo., last August, during the Supreme Encampment that he distinguished himself as a tactician in military art. But for more than fifteen years his great attention to the development of the Uniform Rank has attracted wide spread attention. His family is also well known, as he had a daughter to graduate from the High School only this past year. While not born in Nashville, he has lived in the city for a number of years and had been in the employ of the N. C. and St. L. Railroad for a considerable length of time.

A. I. STATE NORMAL TEACHERS TO VIEW ART EXHIBIT SATURDAY AT CENTENNIAL PARK.

The Park Commissioners, in compliance with the request of Dr. J. T. Phillips, has extended an invitation to Pres. W. J. Hale and the 600 teachers to view the Art Exhibit Saturday, July 13th, at the Parthenon in Centennial Park. The hours are from 10 a. m. to 8 p. m. The local colored people who are especially interested in art are also invited and it is understood a large number will visit the Art Gallery. It is stated authoritatively that the collection of paintings is the most artistic and elaborate ever displayed in Nashville and the teachers are looking forward to their visit with pleasant and profitable anticipations.

LEMON JUICE IS SKIN WHITENER

Cheap home-made beauty lotion to bleach the skin white

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin whitener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of cold cream. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach a darkened skin.

Just try it! Get three ounces of cold cream at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is harmless to whiten a dark skin.

Let us all pull steadily together

DR. R. H. BOYD,
The Gr. at Old Pioneer whom God used to give the Negro Bapt at this school

The pastors of the city have agreed with the members of the Educational Board to select this day and date as the time when Baptists and ministers from everywhere throughout the city and state will be called upon and expected to be present and take an active part in our Educational Rally and Gospel Jubilee that will be held for the benefit of the great National School. Bro. Pastors, Ministers, Sisters and Brothers, we have named this Nashville Day and that of itself means much to you. It is therefore imperative that you be at this great religious meeting for your representation and honor as a Baptist denomination are at stake. Don't allow yourself to make a failure by permitting something false to get in your way and keep you from this meeting. We must not permit the Lord's Banner to trail in the dust nor the staff to even touch the ground, but we must hold it high so man may read the inscription there upon, One Lord, One Faith, and One Baptism as he runs. Great preparations are being mapped out so as to have one of the greatest meetings ever held in Nashville. Your pastor is on the program, come and hear him speak. All Baptist Churches and pastors are asked to dispense with their services at the church at 11 o'clock and be at the Educational Rally which will be held on the campus and in the buildings of the National Baptist Theological and Training Seminary which will begin at 11 o'clock a. m. sharp.
